

CORPORATION OF THE CITY OF NORTH BAY

BY-LAW NO. 2278

Being a By-law to amend By-law No. 2100 of The Corporation of the City of North Bay relating to the adoption of certain policy matters.

WHEREAS the Council of The Corporation of the City of North Bay deems it advisable to amend By-law No. 2100 of The Corporation of the City of North Bay as hereinafter set forth;

NOW THEREFORE THE COUNCIL OF THE CORPORATION OF THE CITY OF NORTH BAY HEREBY ENACTS AS FOLLOWS:

1. That By-law No. 2100 of The Corporation of the City of North Bay be amended by adding thereto Paragraph 17(a) as hereinafter set forth.

17(a) (i) That the original paving of a residential street in the City be undertaken by the Council as a local improvement to a width of 24 feet only.

(ii) That the City bear the cost of paving that part of a residential street in excess of 24 feet width as well as the cost of constructing curbs and gutters and the cost of installation of storm sewers.

(iii) That the City bear the cost of resurfacing a street.

(iv) That the construction of an original sidewalk be undertaken as a local improvement subject to the following:

(a) Where the City deems it advisable to construct a sidewalk pursuant to the provision of Section 8 of the Local Improvement Act and such sidewalk is in the opinion of Council desirable chiefly for use by school children, the City shall assess the owner's share of the cost at 50% of the amount at which it would ordinarily be assessed.

(b) Where a sidewalk is constructed on petition, properly signed, of the owners on both sides of a street praying that a sidewalk be constructed on one side only of the street and that a certain portion not exceeding one-third of the owner's share of the cost be assessed on the lots fronting or abutting on the other side of the street, the Council shall assess the lands on the other side of the street in conformity with the petition and, if a sidewalk is thereafter constructed on the other side of the street, the owners' portion of the cost shall be specially assessed in like manner.

(v) The cost of replacing a sidewalk shall be borne by the City.

(vi) The City Engineer shall furnish the City Treasurer with all necessary information for the purpose of preparing special Assessment Rolls under The Local Improvement Act.

2. This By-law shall come into full force and effect as of the date of final passing thereof.
