

BY-LAW NUMBER 783.

BEING a By-law to provide for the improvement, extention, alteration and enlargement of the existing sanitary sewerage system on Third Avenue between Cassells Street and Front Street, within the limits of the City of North Bay.

WHEREAS it is deemed advisable that the existing sanitary sewerage system in the City of North Bay, should be altered, extended, improved and enlarged along Third Avenue between Cassells Street and Front Street within the limits of the City of North Bay.

AND WHEREAS it is deemed desirable that the total cost of such work should be borne by the Corporation of the City of North Bay.

AND WHEREAS the Local Board of Health has reported in writing that it is of the opinion that it is necessary in the interest of the Public Health that the Sanitary Sewerage System at present existing in the said City should be so improved, extended, altered and enlarged, for which purpose, plans specifications and an application have been submitted to the Provincial Board of Health, who have reported in writing as follows :

"We hereby certify that the Council of the Corporation of the City of North Bay have submitted to the Provincial Board plans, specifications and an application for the approval of the construction of a sewer on :

<u>Street</u>	<u>From</u>	<u>To</u>
Third Avenue	Front Street	Cassells Street

at a total estimated cost of One Thousand Five Hundred and Ninety Dollars and Thirty-two Cents (\$1,590.32), and that the Provincial Board has inquired into and reported upon the work to be undertaken as to whether the same is calculated to meet the sanitary requirements of the inhabitants affected thereby and as to whether such works are likely to prove prejudicial to the health of the inhabitants of the municipality or of any other municipality liable to be affected thereby, and that the construction of the said works has been approved by the Board".

AND WHEREAS The Provincial Board of Health has reported in writing that it is of opinion that it is necessary in the interest of the Public Health that the existing sewer or sewerage system of the Corporation of the City of North Bay, should be so improved, extended, enlarged and altered, said report being as follows :

"We hereby report that the Board, having inquired into, ascertained and considered the existing sanitary conditions of the municipality of the Corporation of the City of North Bay, is of the opinion that it is necessary in the interests of the public health that a sewer be constructed on:

<u>Street</u>	<u>From</u>	<u>To</u>
Third Avenue	Front Street	Cassells Street

at a total estimated cost of One Thousand Five Hundred and Ninety Dollars and Thirty-two Cents (\$1,590.32) in the above Municipality.

AND WHEREAS the Municipal Council of the City of North Bay consider it necessary, and by this By-law passed at a general meeting of the Council of the said Corporation, hereby declares that the said sewerage system at present existing in the said City should be improved, extended, altered and enlarged along Third Avenue between Cassells Street and Front Street as shown in Schedule "A" attached to this By-law between the points mentioned in the said Schedule.

AND WHEREAS under such circumstances the provisions of the Public Health Act R.S.O. 1914. chap. 218 Sec. 96 sub-section 1. Municipal Councils are authorized to pass a By-law for incurring a debt for such purposes without the assent of the electors for incurring such debt.

THEREFORE the Municipal Council of the City of North Bay enacts as follows :

1. The Municipal Council of the City of North Bay upon the recommendation of the Local Board of Health and the reports of the Provincial Board of Health hereby declares that the improvement, extension, alteration and enlargement of the present sewerage system is necessary and desirable in the interest of the Public Health.
2. That the said sewerage system be so improved, extended, altered and enlarged on Third Avenue in the said City, between the points referred to in Schedule "A" attached to this By-law.
3. That the work shall be carried on and executed under the superintendence and according to the directions and orders of such Engineer.
4. The Mayor and Clerk are authorized to cause a contract for the construction of the work to be made and entered into with some person or persons, firm or Corporation, subject to the approval of this Council to be declared by resolution.
5. That the Municipal Council of the said City may agree with the Royal Bank of Canada or any other Bank or person for temporary advances to meet the cost of the work pending the completion of same.
6. The cost of the work shall be paid by 20 equal annual instalments.
7. The Debentures to be issued for the loan to be effected to pay for the cost of the work when completed shall bear interest at 5% per cent per annum and be made payable within 20 years on the instalment plan.

PASSED IN OPEN COUNCIL THIS 14th day of December, 1925.

SCHEDULE "A"

This is Schedule "A" referred to in above By-law.
