

BY-LAW NO. 1218

BEING A BY-LAW to provide that the consent of the Corporation of the City of North Bay be given to the Bell Telephone Company of Canada for the constructing of pole lines and buried cable on certain streets in the said City of North Bay.

THEREFORE THE MUNICIPAL COUNCIL OF THE CORPORATION OF THE CITY OF NORTH BAY ENACTS AS FOLLOWS:-

1. THAT the Bell Telephone Company of Canada be permitted to construct the following pole lines, anchors and buried cable.

(a) Place buried cable on Worthington Street between Cassells and Klock Avenue and from lot line rear of Second Avenue across Commercial Street to Second Avenue west of Commercial Street. Place one pole and anchor on Commercial Street and one pole and anchor on Second Avenue west of Commercial Street.

(b) Place one pole and two anchors on Third Avenue and two poles and one anchor on Front Street. Place twelve poles on lane rear of Cassells Street east side from Third Avenue to King Street. Place ten poles in lane rear of Fraser Street east side from Third Avenue to King Street. Place eight poles in lanes north of Sixth Avenue and east and west of Fraser Street. Place six poles in lanes north of Fifth Avenue and east and west of Fraser Street and in lanes north of Fourth Avenue and north of Third Avenue.

(c) Extension of existing conduit from boulevard on Cassells Street to lot line rear of Second Avenue and in lane north of Third Avenue from manhole Cassells Street and Fifth Avenue to lot line north of Fifth Avenue and from same manhole extend conduit to lane east of Cassells Street.

2. All of which construction is shown on blue-print attached to this By-Law and marked Schedule "A" and the said Schedule is hereby made part of this By-Law.
