

22

BY-LAW NO. 2297

Being a By-law to authorize construction
of concrete sidewalks on certain streets
in the City of North Bay.

WHEREAS it has been duly declared by Declaratory By-law No. 2296 of the Corporation of the City of North Bay passed by a vote of two-thirds of all the members of Council, that it is desirable that the construction of concrete sidewalks, as set out in Schedule "A" hereto annexed, shall be undertaken as a local improvement.

AND WHEREAS notice of the intention of the Council to undertake such work was duly published more than 21 days prior to the passing of this by-law.

AND WHEREAS the Council has caused to be made the reports estimates and statements required for the undertaking of the said works.

NOW THEREFORE THE MUNICIPAL COUNCIL OF THE CITY OF NORTH BAY ENACTS AS FOLLOWS:

1. THAT concrete sidewalks be constructed on the streets set out in Schedule "A" hereto annexed at the estimated cost as set out in the same schedule, as provided by plans and specifications furnished by the Engineer for the Corporation of the City of North Bay, as a local improvement under the provisions of the Local Improvement Act, R.S.O. 1960, and more particularly Section 8 thereof.
2. THAT the Engineer of the Corporation do forthwith make such plans, profiles and specifications and furnish such information as may be necessary for the making of a contract for the execution of the work.
3. THAT the work shall be carried out and executed under the superintendence and according to the directions and orders of the Corporation's Engineers.
4. THAT the Mayor and Clerk be hereby authorized to cause a contract for the construction of the work to be made and entered into with some person or persons, firm or corporation subject to the approval of this Council to be declared by resolution.
5. The Head of the Council and the Treasurer may, subject to the approval of Council, agree with any bank, or person for temporary advances of money to meet the cost of the work pending the completion of it.
6. The special assessment shall be paid by ten (10) equal annual instalments of principal and interest.
7. The debentures to be issued for the loan to be effected to pay for the cost of the work when completed shall bear interest at such rate as Council shall determine and be made payable within ten (10) years on the instalment plan.
8. Any person whose lot is specially assessed may commute for a payment in cash the special rate imposed thereon by paying the portion of the cost of construction assessed

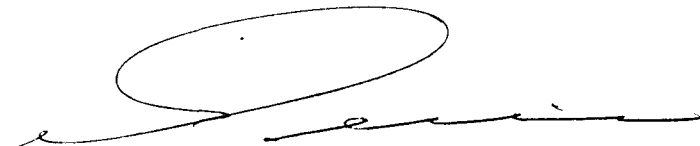

upon such lot, without interest forthwith after the special assessment roll has been certified by the Clerk.
