

## Network Specialist

The Corporation of the City of North Bay is inviting applications for the position of Network Specialist. As a member of the Information Systems team you will possess strong technical, organizational and interpersonal skills in order to deliver networking, security and datacenter expertise in a service-delivery focused team approach (ITIL).

### Qualifications:

- College Diploma in computer studies
- Three (3) years previous related work experience
- Experience in a service-delivery framework such as ITIL
- Strong organizational, critical thinking and documentation skills
- Demonstrated experience in the design and implementation of networking and security technologies
- Demonstrated experience in the deployment of Intel/Microsoft server Hardware, Software and Applications in a datacenter environment
- Proven ability to work in a team environment
- Demonstrated interpersonal, communication and time management skills
- Ability to work under pressure and timelines
- Microsoft and technical certification preferred
- Must possess a valid "G" Ontario Driver's License and have a vehicle available for use on the job

Qualified individuals interested in being considered for this position are requested to submit a covering letter and resume no later than **4:30 p.m., Wednesday, March 27th, 2019** to email,

**[staffing@cityofnorthbay.ca](mailto:staffing@cityofnorthbay.ca)**

While we appreciate the interest of all applicants, only those selected for an interview will be contacted.
