THE CORPORATION OF THE CITY OF NORTH BAY

BY-LAW NO. 2007-07

BEING A BY-LAW TO REGULATE THE
ADMINISTRATION OF BUILDING PERMITS

AND WHEREAS the new edition of the Building Code is Ontario Regulation 350/06, which will largely come into effect on December 31, 2006 to replace Ontario Regulation 403/97;

AND WHEREAS the Council of the City of North Bay desires to repeal By-law 47-95, as amended and enact a new building by-law for the issuance of permits and related matters, including a fee schedule for all applicable building permit fees:

NOW, THEREFORE, THE COUNCIL OF THE CORPORATION OF THE CITY OF NORTH BAY HEREBY ENACTS AS FOLLOWS:

PART 1 – DEFINITIONS

1. For the purposes of this By-law, the following definitions and interpretations shall govern:

   (2) “applicant” means the owner of a building or property who applies for a permit or the person authorized by the owner to apply for a permit on the owner’s behalf;

   (3) “architect” means a holder of a license, a certificate of practice, or a temporary license under the Architect’s Act as defined in the Building Code;

   (4) “as constructed plans” means as constructed plans as defined in the Building Code;

   (5) “building” means a building as defined in Section 1 (1) of the Act;

   (6) “Building Code” means Ontario Regulations 403/97 as amended, and Ontario Regulation 350/06 made under Section 34 of the Act, as applicable according to the transition provisions of Ontario Regulations 350/06, Section 4.1, Division C;

   (7) “Chief Building Official” means the Chief Building Official appointed by Council under Section 3 of the Act for purposes of enforcement of the Act;

   (8) “construct” means to construct a building as defined in Section 1(1) of the Act;

   (9) “Corporation” means the Corporation of the City of North Bay;

   (10) “demolish” means to do anything in the removal of a building or any material part thereof as defined in Section 1(1) of the Act;

   (11) “forms” means the applicable Provincial or Municipal prescribed forms as set out in Schedule “B” to this By-law;

   (12) “inspector” means an inspector appointed under Section 3 of the Act;
"owner" includes, in respect of the property on which the construction or demolition will take place, the registered owner, a lessee and a mortgagee in possession;

"permit" means written permission or written authorization from the Chief Building Official to perform work regulated by this By-law and the Act, or to change the use of a building or part of a building or parts thereof as regulated by the Act;

"plumbing" means plumbing as defined in Section 1 (1) of the Act;

"professional engineer" means a person who holds a license or a temporary license under the Professional Engineer's Act;

"registered code agency" means a person or entity that has the qualifications and meets the requirements described in subsection 15.11(4) of the Act;

"regulations" means regulations made under the Act;

"sewage system" means a sewage system as defined in Section 1(1) of the Act;

"work" means construction or demolition of a building or part thereof, as the case may be.

2. Terms not defined in this By-law shall have the meaning ascribed to them in the Act or the Building Code.

PART 2 - CLASS OF PERMIT

3. Classes of permits with respect to the construction, demolition and change of use of buildings, blasting operations, fencing, and permit fees shall be as set out in Schedule "A" to this By-law.

PART 3 - PERMIT APPLICATION

4. To obtain a permit, the owner or an agent authorized in writing by the owner shall file with the Chief Building Official an application in the prescribed form as set out in Schedule "B" to this By-law.

PART 4 - GENERAL REQUIREMENTS

5. All applications for a permit, in addition to meeting all other application requirements set out in this By-law, shall:

(1) identify and describe in detail the work, use and occupancy to be covered by the permit for which the application is made;

(2) identify and describe in detail the existing uses and the proposed use(s) for which the premises are intended;

(3) include the legal description, the municipal address and where appropriate, the unit number of the land on which the work is to be done;

(4) be accompanied by plans and specifications as described in this By-law;

(5) be accompanied by the required fees as calculated in accordance with Schedule "A" to this By-law;

(6) be accompanied by the completed "Listing of Applicable Law" form in accordance with Schedule "B" to this By-law;
(7) state the name, address and telephone number of the owner, and where the owner is not the applicant, the authorized agent, and where applicable, the qualified architect, engineer or other designer and the constructor or person hired to carry out the construction or demolition, as the case may be;

(8) when Section 2.3 of the Building Code applies, be accompanied by a signed acknowledgement of the owner on the prescribed form that an architect or professional engineer, or both, have been retained to carry out the general review of the construction or demolition of the building;

(9) when Section 2.3 of the Building Code applies, be accompanied by a signed statement of the architect or professional engineer, or both, on the form prescribed, undertaking to provide general review of the construction or demolition of the building;

(10) include, where applicable, the applicant's registration number where an applicant is a builder or vendor as defined in the Ontario New Home Warranties Plan Act; and

(11) be signed by the owner or authorized agent who shall certify as to the truth of the contents of the application.

PART 5 – PERMITS

6. Construction Permits

In addition to the general requirements, an application for a construction permit shall:

(1) use the provincial application form, "Application for a Permit to Construct or Demolish";

(2) include complete plans and specifications, documents and other information as required by Section 2.4.1.1B of the Building Code and as described in this By-law for the work covered by the permit;

(3) upon compliance with the Building Code Act and this By-law being demonstrated, a permit shall be issued by the Chief Building Official on the form attached hereto and identified as Schedule "C" of this By-law.

7. Approval in Part (Staged Permits)

In addition to the general requirements, an application for a construction permit for part of a building (staged permits) shall:

(1) use the provincial application form, "Application for a Permit to Construct or Demolish";

(2) include plans and specifications covering the work for which more expeditious approval is desired, together with such information pertaining to the remainder of the work as may be required by the Chief Building Official;

(3) be accompanied by the required fee for the entire project and required administrative fee for the partial permit as calculated in accordance with Schedule "A" to this By-law; and

(4) staged permits may be issued only for the three stages indicated in Schedule "A" of this by-law but issuance of a staged permit shall not be a representation that a permit will be issued for the other stages.
8. **Demolition Permits**

In addition to the general requirements, an application for a demolition permit shall:

1. use the provincial application form, "Application for a Permit to Construct or Demolish";
2. when Section 2.3 of the Building Code applies, be accompanied by a signed Commitment to General Review by Architect and Engineer on a form prescribed by the Chief Building Official in Schedule "B" to this By-law;
3. include complete plans and specifications, documents and other information as required by Section 2.4.1.1B of the building Code and as described in this By-law for the work to be covered by the permit;
4. be accompanied by a Certificate of a valid General Liability Insurance policy with a minimum coverage of $1,000,000.

9. **Conditional Permits**

In addition to the general requirements an application for a conditional permit pursuant to Subsection 8(3) of the Act, shall:

1. use the provincial application form, "Application for a Permit to Construct or Demolish";
2. include complete plans and specifications, documents and other information as required by Section 2.4.1.1B of the Building Code and as described in this By-law for the work to be covered by the permit;
3. state the reasons why the applicant believes that unreasonable delays in construction would occur if a conditional permit is not granted;
4. state the necessary approval which must be obtained in respect of the proposed building and the time in which such approvals will be obtained;
5. state the time in which plans and specifications of the complete building will be filed with the Chief Building Official; and
6. require the owner and such other persons as the Chief Building Official determines to enter into an agreement with the Corporation.

10. **Change of Use Permit**

In addition to the general requirements an application for a change of use permit shall:

1. use the provincial application form, "Application for a Permit to Construct or Demolish";
2. describe the building in which the use is to be changed, by a description that will readily identify and locate the building;
3. identify and describe in detail the current and proposed uses of the building or part of a building for which the application is made;
4. include plans and specifications showing the current and proposed use of all parts of the building, and which contain sufficient information to establish compliance with the requirements of the Building Code, including: floor plans, details of wall, ceiling and roof assemblies;
identifying required fire resistance ratings and load bearing capacities and, details of the existing "sewage system", if any; and

(5) a change of use permit shall not be issued prior to an inspection being conducted by an inspector.

11. **Permit to Occupy an Unfinished Building**

An application for occupancy of an unfinished building permit pursuant to Section 2.4.3 of the Building Code shall:

1. use the application form in Schedule "B" to this By-law, "Application for Permit to Occupy a Building Prior to Completion";
2. indicate the total floor area proposed for occupancy;
3. indicate the total number and location of units proposed for occupancy; and
4. be signed by the owner or authorized agent who shall certify the truth of the contents of the application.

12. **Blasting Permits**

In addition to the general requirements, an application for a blasting permit shall:

1. use the application form in Schedule "B" to this By-law "Application for a Permit for Blasting Operations";
2. no person shall carry out any blasting operations or authorize or allow the same to be carried out without first obtaining a permit under this By-law authorizing the same;
3. the applicant, prior to the issuance of a permit, shall deposit with the Chief Building Official, a Certificate of a valid Comprehensive General Liability Insurance Policy specifically covering blasting operations with a minimum coverage of $1,000,000 (one million dollars);
4. take all necessary steps and precautions to ensure that the blasting operations are carried out and performed in a safe, lawful and proper manner;
5. The City work force and contractors involved in municipal servicing work done under city contract shall be exempt from the provisions of this section.

13. **Fence Permits**

In addition to the general requirements, an application for a fence permit shall:

1. use the application form in Schedule "B" to this By-law, "Application for a Permit to Construct a fence";
2. the application and drawings required shall demonstrate compliance with all of the prescribed requirements contained in the City of North Bay's Fence By-law 2002-15.

14. **Revision to a Permit**

1. After the issuance of a permit under the Act notice of any material change to a plan, specification, document or other information on the basis of which the permit was issued, shall be given in writing, to the Chief Building
Official together with the details of such change, which is not to be made without the prior written authorization of the Chief Building Official.

(2) Notification of any material change may be in the form of an application for revision to a permit where changes are major and may take the form of a revision permit being issued.

15. **Transfer of Permits**

(1) The owner may transfer a building permit when land changes ownership, in accordance with this Section.

(2) An application for the transfer shall be submitted in writing and shall be signed by the permit holder and shall include a signed statement by the new owner assuming all responsibilities for compliance with the permit documents.

(3) The fee for the transfer of permits shall be as set out in Schedule “A”.

16. **Revocation of Permits**

(1) Subject to Section 8.(10) of the Act, the Chief Building Official may revoke a permit issued under the Act.

a) if it was issued on mistaken, false or incorrect information;

b) if, six months after its issuance, the construction or demolition in respect of which it was issued has not, in the opinion of the Chief Building Official, been seriously commenced;

c) if the construction or demolition of the building is, in the opinion of the Chief Building Official, substantially suspended or discontinued for a period of more than one year;

d) if it was issued in error;

e) if the holder requests in writing that it be revoked; or

f) if a term of the agreement under Clause (3)(c) of the Act has not been complied with.

**PART 6 – PLANS AND SPECIFICATIONS**

17. Every applicant shall submit sufficient information, including plans, specifications, documents and other information, with each application for a permit to enable the Chief Building Official to determine whether or not the proposed construction, demolition or change of use will conform with the Act, the Building Code and any other applicable law.

18. Each application shall, unless otherwise determined by the Chief Building Official, be accompanied by two complete sets of plans and specifications prepared in accordance with generally accepted architectural and engineering practices for the construction of the building.

19. Plans shall be drawn to scale on paper, shall be legible and, without limiting the generality of the foregoing, shall be dated and marked “issued for construction” and shall contain the necessary designer information as required by the Building Code and the Act.

20. Site Plans submitted shall be referenced to a current plan of survey certified by a registered Ontario Land Surveyor and a copy of such survey shall be filed with the municipality unless this requirement is waived because the Chief Building Official is able, without having a current plan of survey, to determine whether the
proposed work is in compliance with the Act, the Building Code, and any other applicable law. The site plan shall be professionally prepared showing:

1. lot dimensions;
2. lot area and percentage of lot coverage of the proposed building and any other existing buildings;
3. location and setback of the proposed building from the property lines of the lot;
4. location and distance of every other adjacent building from the property lines and main building; and
5. proposed finished grade elevations at the four corners of the subject property as well as the proposed finished grades at the four corners of the proposed dwelling or building.

21. On completion of the construction and prior to notice of received occupancy being granted, a plan of survey prepared and certified by an Ontario Land Surveyor shall be filed with the municipality verifying the location of the building.

22. Minor additions, accessory buildings, sundecks, garages and carports are exempt from the requirements in Section 20(5). However, the Chief Building Official may require a plan of survey certified by an Ontario Land Surveyor to establish compliance of any building constructed on a lot where there is information of potential non-compliance.

23. On completion of the construction and prior to occupancy being granted for single family dwellings, semi-detached dwellings and small buildings, the Owner shall submit to the Chief Building Official, a lot grading plan/certificate prepared by an Ontario Land Surveyor verifying the finished grades are in compliance with the building permit documents and the approved lot grading site plan.

PART 7 – EQUIVALENTS

24. Where an application for a permit or for authorization to make a material change to the plan, specification, document or other information on the basis of which a permit was issued, contains an equivalent material, system or building design for which authorization under Section 9 of the Act is requested, the application shall provide:

1. a description of the proposed material, system or building design for which authorization under Section 9 of the Act is requested;
2. any applicable provisions of the Building Code; and
3. evidence that the proposed material, system or building design will provide the level of performance required by the Building Code.

PART 8 – PRESCRIBED NOTICES AND INSPECTIONS

25. (1) The person to whom a permit has been issued under Section 8 of the Act shall give to the Chief Building Official notice of the readiness for inspection in accordance with prescribed notices described in Article 2.4.5.1 and Article 2.4.5.3.2 of the Building Code. These mandatory notification stages and inspections are listed in Schedule “D” to this By-law.

(2) In addition to the Ontario Building Code construction requirements regulating backfill inspections, the City of North Bay requires that prior to the commencement of backfilling – concrete nails shall be fixed to the four exterior corners of the foundation walls to signify the approved elevations
of the future finished grades. An Ontario Land Surveyor shall establish the grade elevations and install the concrete nails.

26. Notices shall be given as required by Article 2.4.5.1 of the Building Code.

PART 9 – REGISTERED CODE AGENCIES

27. Where the municipality has entered into agreements with registered code agencies, the Chief Building Official is authorized to enter into services agreements with registered code agencies and appoint them to perform specified functions from time to time pursuant to s.4.1 of the Act.

PART 10 – FEES

28. The Chief Building Official shall determine the required fees for the work proposed and the applicant shall pay the fees calculated in accordance with Schedule “A” to this By-law. No permit shall be issued until the fees therefore have been paid in full.

29. Where fees payable in respect of an application for a construction or demolition permit issued under Subsection 8(1) of the Act or a conditional permit issued under Subsection 8(3) of the Act are based on a floor area, the floor area shall mean the total floor space of all stories above grade measured as the horizontal area between the outer face of exterior walls and to the centre of party walls or demising walls.

30. Fees payable in respect of a conditional permit issued under Subsection 8(3) of the Act shall be paid for the complete project plus the applicable additional fee in accordance with Schedule “A” to this By-law.

31. Where fees payable in respect of an application for a change of use permit issued under Subsection 10(1) of the Act are based on a floor area, the floor area shall mean the total floor space of all stories subject to the change of use.

32. Where construction is incomplete or deficient and a call-back reinspection is required to determine compliance, the inspection will be charged to the applicant at a rate of $100.00 flat fee. The fee is required to be paid prior to the inspection being conducted.

PART 11 – CHANGING PERMIT FEES

33. Prior to passing a By-law to change the fees, the City shall:

   (1) hold at least one public meeting at which any person who attends has an opportunity to make representations with respect to the matter;

   (2) ensure that a minimum of 21 days notice of the public meeting is given to every person and organization that has, within five years before the day of the meeting, requested such notice; and

   (3) ensure that the notice include an estimate of the costs for administering and enforcing the Act, the amount of the fee and change to the existing fee and the rationale for imposing or changing the fee.

34. Any person or organization wishing to receive notice as set out above should make such request in writing to the Clerk’s office.

PART 12 – REFUNDS

35. In the case of withdrawal of an application or, abandonment of all or a portion of the work or, the non-commencement of the work or, the refusal or revocation of a permit, upon written request by the applicant the Chief Building Official shall
determine the amount of paid permit fees that may be refunded to the applicant, if any, in accordance with Schedule “A” to this By-law.

36. Fees may be refunded as a percentage of the fees payable under this By-law as follows:

   (1) 80 percent if administrative functions only have been performed;
   (2) 70 percent if administrative and zoning functions only have been performed;
   (3) 50 percent if the permit has been issued and the construction has not commenced;
   (4) permit fees for a revoked permit shall not be refunded.

PART 13 – FENCING

37. Where, in the opinion of the Chief Building Official, a construction or demolition site presents a particular hazard to the public, the Chief Building Official may, under Clauses 7(i) and 7(j) of the Act, require the erection of such fencing as the Chief Building Official deems necessary to abate that hazard.

38. The height of every fence shall be a minimum of 4 feet (1.2 meters) and a maximum of 6 feet (1.8 meters), to be measured from the highest adjacent grade and, shall be of a description as determined by the Chief Building Official.

PART 14 – PENALTY

39. Every person who contravenes any provision of this By-law is guilty of an offence and liable to the penalties as provided for in the Act.

PART 15 – APPOINTMENTS

40. The persons listed in Schedule “E” of this By-law are hereby confirmed in the appointment of the offices set opposite their names.

PART 16 – SEVERABILITY

41. Should any section, clause or provision of this by-law be declared by a court of competent jurisdiction to be invalid, the same does not affect the validity of the By-law as a whole or in part thereof, other than the part which was declared to be invalid.

PART 17 – SCHEDULES

42. The following Schedules are attached to and form part of this By-law:
   
   Schedule “A” Building Classification, Classes of Permits and Permit Fees
   Schedule “B” Forms
   Schedule “C” Building Permit
   Schedule “D” Prescribed Notices and Inspections
   Schedule “E” Appointments

PART 18 – REPEAL

43. By-law No. 1995-47 as amended, is hereby repealed.

44. That Schedule “G” to By-law 2001-71 is hereby repealed.
PART 19 – SHORT TITLE

45. This By-law shall be known and may be cited as the "Building By-law".

PART 20 – EFFECTIVE DATE

46. This By-law comes into force on January 22, 2007.

- [ ] Alteration/repair
- [ ] Demolition
- [ ] Conditional Permit

Description of proposed work

F: Tarion Warranty Corporation (Ontario New Home Warranty Program)

1. Is proposed construction for a new home as defined in the Ontario New Home Warranties Plan Act? If no, go to section G.

2. Is registration required under the Ontario New Home Warranties Plan Act?

3. If yes to (ii) provide registration number(s):
### G. Attachments

i. Attach documents establishing compliance with applicable law as set out in Article 1.1.3.3.

ii. Attach Schedule 1 for each individual who reviews and takes responsibility for design activities.

iii. Attach Schedule 2 where application is to construct on-site, install or repair a sewage system.

iv. Attach types and quantities of plans and specifications for the proposed construction or demolition that are prescribed by the by-law, resolution, or regulation of the municipality, upper-tier municipality, board of health or conservation authority to which this application is made.

**C. Design activities undertaken by individual identified in Section B. [Building Code Table 2.20.2.1]**

- House
- HVAC – House
- Building Structural
- Small Buildings
- Building Services
- Plumbing – House
- Large Buildings
- Plumbing – All Buildings
- Complex Buildings
- Fire Protection
- On-site Sewage Systems

Description of designer's work

**D. Declaration of Designer**

I _______________ declare that (choose one as appropriate):

- I review and take responsibility for the design work on behalf of a firm registered under subsection 2.17.4 of the Building Code. I am qualified, and the firm is registered, in the appropriate classes/categories.
  - Individual BCIN: ____________________________
  - Firm BCIN: ____________________________

- I review and take responsibility for the design work and am qualified in the appropriate category as an "other designer" under subsection 2.17.5. of the Building Code.
  - Individual BCIN: ____________________________
  - Basis for exemption from registration: ____________________________

- The design work is exempt from the registration and qualification requirements of the Building Code.
  - Basis for exemption from registration and qualification: ____________________________

I certify that:
1. The information contained in this schedule is true to the best of my knowledge.
2. I have authority to bind the corporation or partnership (if applicable).

Date ____________________________  Signature of Designer ____________________________

*For the purposes of this form, "individual" means the "person" referred to in Clause 2.17.4.7.(1)(d), Article 2.17.5.1. and all other persons who are exempt from qualification under Subsections 2.17.4. and 2.17.5.

**NOTE:**

1. Firm and Individual BCIN numbers are not required for building permit applications submitted prior to January 1, 2006
2. Schedule 1 does not need to be completed by architects, or holders of a Certificate of Practice or a Temporary License under the Architects Act.

Date Signature of Applicant
CITY OF NORTH BAY
ACKNOWLEDGEMENT BY APPLICANT OF AN INCOMPLETE APPLICATION

Pursuant to Sentence 2.4.2.1B (5) of the Building Code

Part A

A prescreening of the application to (description of work) ____________________________

at (location of work) ____________________________ reveals that the application is incomplete in that the following items are missing:

__________________________________________________________________________

__________________________________________________________________________

__________________________________________________________________________

As such, the application is not entitled to the processing time periods prescribed in Column 3 of Table 2.4.1.1B of the Building Code.

The City of North Bay will however accept the incomplete application for processing if the Acknowledgement below is completed.

Part B

I, (print name of applicant):

acknowledge that my application in described in Part A does not meet the requirements of 2.4.1.1B (5) of the Building Code and therefore is not entitled to the time periods prescribed in Column 3 of Table 2.4.1.1B of the Building Code.

Notwithstanding the above, I wish to have the application accepted for processing and understand that a permit cannot be issued until all the information is submitted and reviewed for compliance.

I have authority to bind the corporation or partnership (if applicable).

(Date) (Signature of Applicant)
COMMITMENT TO GENERAL REVIEWS BY ARCHITECT AND ENGINEERS

THIS FORM TO BE COMPLETED BY THE OWNER OR OWNER’S AUTHORIZED AGENT, AND SIGNED BY ALL CONSULTANTS RETAINED FOR GENERAL REVIEWS

Part A - Owner’s Undertaking

WHEREAS the Ontario Building Code requires that the project described above be designed and reviewed during construction by an architect, professional engineer or both that are licensed to practice in Ontario;

NOW THEREFORE the Owner, being the person who intends to construct or have the building constructed hereby warrants that:

1. The undersigned architect and/or professional engineers have been retained to provide general reviews of the construction of the building to determine whether the construction is in general conformity with the plans and other documents that form the basis for the issuance of a building permit, in accordance with the performance standards of the Ontario Association of Architects (OAA) and/or Professional Engineers Ontario (PEO).

2. All general review reports by the architect and/or professional engineers will be forwarded promptly to the Chief Building Official, and

3. Should any retained architect or professional engineer cease to provide general reviews for any reason during construction, the Chief Building Official will be notified in writing immediately, and another architect or engineer will be appointed so that general review continues without interruption during construction.

The undersigned hereby certifies that he/she has read and agrees to the above

CODE OF CONDUCT FOR BUILDING OFFICIALS

PURPOSE

The following are the purposes of this Code of Conduct:

1. To promote appropriate standards of behaviour and enforcement actions by the Chief Building Official and Inspectors in the exercise of a power or the performance of a duty under the Building Code Act or the Building Code.

2. To prevent practices which may constitute an abuse of power by the Chief Building Official and Inspectors in the exercise of a power or the performance of a duty under the Building Code Act or the Building Code.

3. To promote appropriate standards of honesty and integrity in the exercise of a power or the performance of a duty under the Building Code Act or the Building Code by the Chief Building Official and Inspectors.

ENFORCEMENT GUIDELINES

Compliance with this code of conduct shall constitute a condition of employment as a Chief Building Official or Inspector appointed under the Building Code Act. Any appointed Chief Building Official or Inspector who fails to act in accordance with the provisions of this Code may be subject to disciplinary action appropriate to the seriousness of the breach. All allegations concerning a breach of this Code shall be made in writing.

Any person who has reason to believe that this Code of Conduct has been breached may bring the matter to the attention of the Chief Building Official. In response to any allegation of a breach of this Code, the Chief Building Official shall direct an investigation and where appropriate, recommend disciplinary action against any Building Official who fails to comply with this Code of Conduct.

Where the allegation concerns the actions of the Chief Building Official, Council will direct the investigation and make such recommendations as are reasonable.

In determining the appropriate discipline, the Chief Building Official or Council will have regard to the relevance of the conduct to the Building Official’s powers and responsibilities as well as the severity of any misconduct.

Disciplinary action arising from violations of this Code of Conduct is the responsibility of the City of North Bay’s administration and is subject to relevant collective agreements, employment laws and standards.

CODE OF CONDUCT

In exercising powers and performing duties under the Building Code Act, the Chief Building Official and Inspectors shall:

1. Exercise powers in accordance with the provisions of the Building Code Act, the Ontario Building Code and other applicable law that governs the authorization, construction, occupancy and safety of buildings and designated structures, and the actions, duties and qualifications of Chief Building Officials and Inspectors;
2. Act to identify and enforce compliance where significant contraventions of the Act or regulations are known to exist;

3. Apply all relevant building laws, regulations and standards in a consistent and fair manner, independent of any influence by interested parties;

4. Not accept any personal benefit which may create a conflict with their duties; or perform duties where a personal interest may create a conflict;

5. Obtain the counsel of persons with expertise where the Chief Building Official or Inspector does not possess sufficient knowledge to make an informed judgment; and

6. Act honestly, reasonably and professionally in the discharge of their duties.
DECLARATION AND ACCEPTANCE

The applicant, by acceptance of and in consideration of the issuance of this permit, agrees to the following conditions.

1. This permit does not preclude any other legislation, federal or provincial, or necessary approvals from other agencies.

2. Building Inspectors of the City of North Bay may, at any time, enter onto the lands which are described herein in order to make any surveys, examinations, investigations or inspections which are required for the purposes of ensuring that the work(s) authorized by this permit are being carried out according to the terms of the permit.

3. The applicant agrees:

   (a) To indemnify and save harmless The Corporation of the City of North Bay and its officers, employees, or agents from and against all damage, loss, costs, claims, demands, actions and proceedings arising out of or resulting from any act or omission of the owner and / or applicant or any of their agents, employees or contractors relating to any of the particulars, terms or conditions of this permit,

   (b) That this permit shall not release the applicant from legal liability or obligation to strictly comply with the Code and all applicable law and remains in force subject to all limitations, requirements and liabilities imposed by law, and

   (c) That all complaints arising from the execution of the works authorized under this Permit shall be reported prior to the completion of the work by the applicant to The Corporation of the City of North Bay. The applicant shall indicate any action which has been taken, or is planned to be taken, if any, with regard to each complaint.

4. Failure to notify the Chief Building Official of required calls for inspections may lead to legal action under the Provincial Offences Act.

5. Where a Dye Test is required, the owner and / or the authorized agent shall notify the City Works Dept. and have the Dye Test conducted prior to any occupancy. The City suggests that the Dye Test should be conducted prior to the pouring of concrete floor slabs.

6. All special notes and comments listed on page 1 shall be considered as conditions of this permit.

I, the undersigned, ____________________________, am the owner or authorized agent of the owner, and

PRINT NAME

I do hereby agree to carry out or cause to be carried out the work(s) indicated above in compliance with the conditions set out herein and in accordance with the information contained in the application and any accompanying plans. I realize that should I carry out the work(s) contrary to the terms of this Permit that this Permit may be revoked. I also realize that this work shall be substantially commenced within six months and I agree to re-apply to the Chief Building Official prior to the expiration of this period should an extension be required.

DATED at the City of North Bay this ______ day of ___________________ 20__.
