WHEREAS the Municipal Act, 2001, S.O. 2001, c. 25, as amended, (the "Act") provides that a municipal power shall be exercised by by-law unless the municipality is specifically authorized to do otherwise;

AND WHEREAS subsection 401(1) of the Act provides that a municipality may incur a debt for municipal purposes, whether by borrowing money or in any other way, and may issue debentures and prescribed financial instruments and enter prescribed financial agreements for or in relation to the debt;

AND WHEREAS subsection 275 (1) of the Act provides that the council of a local municipality shall not take any action described in subsection 275 (3) of the Act after the first day during the election for a new council on which it can be determined that one of the following applies to the new council that will take office following the election:

1. If the new council will have the same number of members as the outgoing council, the new council will include less than three-quarters of the members of the outgoing council.

2. If the new council will have more members than the outgoing council, the new council will include less than three-quarters of the members of the outgoing council or, if the new council will include at least three-quarters of the members of the outgoing council, three-quarters of the members of the outgoing council will not constitute, at a minimum, a majority of the members of the new council.

3. If the new council will have fewer members than the outgoing council, less than three-quarters of the members of the new council will have been members of the outgoing council or, if at least three-quarters of the members of the new council will have been members of the outgoing council, three-quarters of the members of the new council will not constitute, at a minimum, a majority of the members of the outgoing council;

(d) making any expenditures or incurring any other liability which exceeds $50,000.

AND WHEREAS subsection 275 (4) of the Act provides that clauses 275 (3) (c) and 275 (3) (d) do not apply if the disposition or liability was included in the most recent budget adopted by the council before nomination day in the election;

AND WHEREAS subsection 275 (6) of the Act provides that nothing in section 275 prevents any person or body exercising authority delegated by council;

AND WHEREAS the Council of The Corporation of the City of North Bay (the "Municipality") has authorized the undertaking of the purposes of the Municipality (individually a "Project", collectively the "Projects") set out in Column (2) of Schedule "A" attached hereto and forming part of this By-law ("Schedule "A") and desires to issue
debentures or other prescribed financial instruments for the Projects in the respective amounts specified in Column (5) of Schedule “A”;

AND WHEREAS there is concern that a determination may be made under subsection 275(1) of the Act based on which the Council of the Municipality shall not take any action described in subsection 275(3) of the Act after the first day during the election for a new Council of the Municipality unless the Council of the Municipality has delegated authority in accordance with subsection 275(6) of the Act, it is now deemed expedient, before the new Council of the Municipality takes office following the election, for the outgoing Council of the Municipality to authorize long term borrowing for the Projects, provided that the principal amount of borrowings allocated to any Project does not exceed the amount approved by the Council of the Municipality to be financed through the issue of debentures or other prescribed financial instruments for such Project (the “Approved Amount”), as described in Schedule “A”, provided that the long-term borrowing for any such Project does not exceed the lesser of the useful life of the Project and 10 years and further provided that the annual interest rate in respect of the long-term borrowing does not exceed 6% per annum;

AND WHEREAS Council passed Resolution No. 2006-579 at its Special Meeting held on Monday, September 25, 2006, delegating authority of the outgoing Council to pass a by­law to authorize the issue of debentures, for the purposes of the City, after the first day during the election for a new Council, before the new Council takes office following the election, in accordance with the Act.
