THE CORPORATION OF THE CITY OF NORTH BAY

BY-LAW NO. 9-69

(A ZONING BY-LAW)

BEING A RESTRICTED AREA BY-LAW TO PROHIBIT OR REGULATE THE USE OF LAND AND THE ERECTION, USE, BULK, HEIGHT AND LOCATION OF BUILDINGS IN THE CITY OF NORTH BAY, AS CONSTITUTED PRIOR TO JANUARY 1ST, 1968.

WHEREAS it is deemed expedient to implement the Official Plan of the Corporation of the City of North Bay as constituted prior to January 1st, 1968, and

WHEREAS authority is granted under Section 30 of the Planning Act, R.S.O. 1960, subject to the approval of the Ontario Municipal Board to pass this By-law.

NOW THEREFORE THE COUNCIL OF THE CORPORATION OF THE CITY OF NORTH BAY ENACTS AS FOLLOWS:

SECTION 1 - TITLE

This By-law shall be known as the "North Bay Zoning By-law" and shall apply only to that part of the City known as the City of North Bay prior to January 1st, 1968.

SECTION 2 - INTERPRETATION

2.1 In interpreting and applying the provisions of the By-law they shall be held to be the minimum requirements for the promotion of health, safety, comfort, convenience and general welfare of the inhabitants of the City of North Bay, as constituted prior to January 1st, 1968.

2.2 Administration and Enforcement

This By-law shall be administered by the Building Inspector and no permit for the use of land or for the erection of any building or structure or approval of any application for any municipal licence within the jurisdiction of the Council, shall be issued or given, where the proposed building, structure or use would be in violation of any provision of this By-law.

2.3 Violation and Penalty

Every person who uses any land or erects or uses any building or structure in a manner contrary to any requirements of this By-law, or who causes or permits such use or erection, or who violates any provision of this By-law or causes or permits a violation, is guilty of an offence and upon conviction therefore shall be liable to a fine not exceeding three hundred (300) dollars (exclusive of costs) which shall be recoverable under the Summary Convictions Act.

2.4 Remedies

In case any building or structure is or is proposed to be erected, altered, reconstructed, extended or enlarged or any building or structure or part thereof is or is proposed to be used or any land is or is proposed to be used in contravention of any requirements of this By-law such contravention may be restrained by action at the in-
stance of any ratepayer or of the City of North Bay pursuant to the provisions of the Planning Act in that behalf.

2.5. This By-law shall not affect the rights of any party or land concerned in any action, litigation or other proceeding pending on the date of the final passage thereof, except to the extent to be determined in the final adjudication of such action, litigation or other proceeding.

SECTION 3 - SCOPE

3.1 No building, structure or land shall be used, and no building or structure shall be hereafter erected or altered within the territorial limits of the City of North Bay as now or hereafter legally constituted except in conformity with the provisions of this By-law.

3.2 Severability

If any provisions of this By-law, including any part of the zoning as shown on the zoning map, is for any reason held to be invalid, it is hereby declared to be the intention, that all the remaining provisions shall remain in full force and effect until repealed notwithstanding that one or more provisions shall have been declared to be invalid.

SECTION 4 - DEFINITIONS

For the purposes of this By-law the definitions and interpretations given in this section shall govern:

5.1.2 Where a use zone designation shown on the "Zoning Map" Schedule A, is followed by a second use zone designation in brackets, the land may be used for the uses permitted in the first designation, in accordance with the provisions for the said zone, but where the zone is supplied with the municipal facilities required for the satisfactory development of the uses permitted in the use zone in brackets, land may be used for the uses permitted in the use zone shown in brackets in accordance with the provisions for the said zone, but only after an Amendment to this By-law to remove the brackets and delete the first zone designation.

5.2 Zoning Map  The zones set out in 5.1.1 and the boundaries of such zones are shown upon the map attached hereto, marked "Schedule A" and designated as the "Zoning Map", which zone boundaries and map are hereby declared to form part of this by-law.

5.3 Boundaries of Zones  Where uncertainty exists with respect to the boundaries of the various zones as shown on the Zoning Map, the following rules shall apply:

5.3.1 Streets or Lanes  The zone boundaries are either streets or lanes unless otherwise shown, and where the indicated boundaries on the Zoning Map are approximately streets or lanes, the said streets or lanes shall be construed to be the zone boundaries.

5.3.2 Lot Lines  Where the zone boundaries are not shown to be streets or lanes, and where indicated boundaries on the Zoning Map are approximately lot lines, the said lot lines shall be construed to be the zone boundaries unless said boundaries are otherwise indicated on the map.

5.3.3 Symbol of Zone  Where one symbol is used on the Zoning Map to indicate the zone classification of an area divided by a road or lane, said symbol shall establish the classification of the whole of such area.
5.3.4 Street or Lane or Right-of-Way

A street, lane, railroad or railway right-of-way, electrical transmission line right-of-way, or watercourse included on the Zoning Map, shall unless otherwise indicated be included within the zone of the adjoining property on either side thereof; and where such street, lane, right-of-way or watercourse serves as a boundary between two or more different zones, a line midway in such street, lane, right-of-way or watercourse and extending in the general direction of the long division thereof shall be considered the boundary between zones unless specifically indicated otherwise.

5.3.5 Closed Street or Lane or Right-of-way

In the event a dedicated street or lane or right-of-way shown on the map is closed, the property formerly included within the zone of the adjoining property on either side of the said closed street or lane or right-of-way and the zone boundary shall be the former centre line of the said closed street or lane or right-of-way.

5.4 Lots to Front on a Street

No land shall be used unless the said land shall have frontage on an assumed street.

5.5 Occupancy of Partially Completed Dwellings Prohibited

No building shall be used for human habitation before the main walls and roof have been erected and the external siding and roofing have been completed, and water, sanitary and heating facilities installed and are operable.

5.6 Exceptions to Height Limitations

The height limitations of this By-law shall not apply to church spires, public buildings, water tanks, elevator enclosures, flag poles, television or radio antennae, ventilators or sky-lights or chimneys.

5.7 Permitted Encroachments in Yards

Every part of any yard required by this By-law shall be open and unobstructed by any structure from the ground to the sky provided, however, that fences and hedges in accordance with the provisions of 6.1.8 of this By-law shall be permitted and those structures listed in the following table shall be permitted to project into the minimum yards indicated for the distance specified in 5.7.1 below.

<td>rear yards only</td>
<td>8 feet including eaves and cornices</td>
</tr>
</tbody>
</table>
Enclosures to any porch or terrace permitted by 5.7 of this By-law shall be limited to three feet (3 ft.) in height exclusive of roof supports but this shall not prohibit the enclosure of a porch or terrace by latticing or screening or any other form of enclosure which permits 50% air to pass through at all times.

5.8 Public Uses Permitted The provisions of this By-law shall not apply to the use of any land or to the erection or use of any building or structure for the purpose of public service by the City of North Bay or by any local Board thereof as defined by the Department of Municipal Affairs Act, Chapter 98, R.S.O. 1960, any department of the Government of Ontario or Canada, including the Hydro Electric Power Commission of Ontario, provided that:

5.8.1 The lot coverage, setback and yard requirements prescribed for the zone in which such land, building or structure is located shall be complied with.

5.8.2 No goods, material, or equipment shall be stored in the open in a Residential Zone.

5.8.3 Any building erected in a Residential Zone under the authority of this paragraph shall be designed and maintained in general harmony with residential building of the type permitted in the zone.

5.8.4 Where a lot is used under the provisions of this subsection in a Residential Zone, the land not used for buildings shall be treated in a manner that is in general harmony with the surrounding Residential properties.

5.9 Accessory Buildings Uses and Structures Accessory uses, buildings, and structures shall be permitted in any yard in any zone subject to the special provisions of this By-law applicable to the particular accessory use building or structure in question.

5.10 Temporary Construction Uses Permitted Nothing in this By-law shall prevent uses incidental to construction such as a construction camp or other such temporary work camp, tool shed, scaffold or other building or structure incidental to the construction, a sign having an area of not more than fifty square feet (50 sq. ft.) incidental to the construction, provided that these uses are permitted only for so long as the same are necessary for work in progress which has neither been finished nor abandoned, and that no such uses shall be permitted to include living accommodation.

5.11 Prohibited Uses Notwithstanding anything contained herein, the following uses are prohibited in any zone within the City of North Bay:

- Blood Boiling
- Bone boiling
- Refining coal oil or petroleum products
- Extracting oil from fish or animal matter
- Storing Hides
- Soap boiling
- Tallow melting
- Tripe boiling
- Slaughtering animals
- Tanning hides or skins
- Manufacturing gas
- Manufacturing glue

A track for the racing of motor vehicles or motor cycles

Scrap yard

The manufacture of cement, cement batching or storage, brick, concrete block, precast concrete products, ready mixed concrete plants, manufacture of asphalt, the storage of quarry limestone, sand or gravel for sale or further processing.

5.11.1 In addition to the prohibited uses listed in 5.11 above, no use shall be permitted within the City of North Bay which from its nature or the materials used therein is, under the Public Health Act or Regulations thereunder, declared to be a noxious trade, business or manufacture.

5.11.2 No land, building or structure except automobile service stations shall be used in the City of North Bay for Commercial or Industrial purposes which are likely to create danger from fire or explosion and without limiting the generality of the foregoing shall include storage or manufacture of coal oil, water oil, rock oil, fuel oil, burning fluid, gas, naphtha, benzene, gasoline, dynamite, dualine, nitroglycerine, gunpowder, petroleum and petroleum products.

5.12 Pits and Quarries The making or establishment of pits and quarries shall be prohibited within the City of North Bay.

5.13 Municipal Services No person shall hereafter erect, alter or use any building other than an accessory building for residential, commercial, industrial or institutional purposes unless such building is served by and connected to the hydro electric power system, municipal water supply and sanitary sewerage systems, and unless the lot is served by satisfactory roads and adequate storm drainage facilities, all of which are of a satisfactory size and condition.

5.14 Basement or Cellar No cellar or part of a cellar of any building shall be used as a dwelling unit. In the case of the basement of an apartment building, not more than fifty per cent (50%) thereof may be used as dwelling units.

5.15 Multiple Uses Where a building or land is used for more than one purpose, all the provisions of this By-law relating to each use shall be complied with.

5.16 Existing Buildings Where a building has been erected prior to the day of the passing of this By-law on a lot having less than the minimum frontage and/or depth and/or area, or having less than minimum setback and/or side yard and/or rear yard and/or minimum usable open space required by this By-law, the said building may be enlarged, reconstructed, repaired or renovated provided that:

5.16.1 The enlargement, reconstruction, repair or renovation does not further reduce a front yard and/or side yard and/or rear yard and/or usable open space having less than the minimum required by this By-law, and

5.16.2 All other applicable provisions of this By-law are complied with.
5.17 Exemption from Lot Frontage or Area Requirements
Where a lot in Residential Zones R1, R2, R3 and RM1, and in a Rural Zone (RU), having a lesser frontage and/or area than is required by this By-law is held under distinct and separate ownership from adjoining lots, according to the register for lands in the Land Titles or Registry Office, on the date of the passing of this By-law, a single family dwelling may be erected and used on such smaller lot, provided that it conforms to all other requirements of this By-law.

5.18 Restoration to a Safe Condition
Nothing in this By-law shall prevent the strengthening or restoration to a safe condition of any building or structure or part of any such building or structure, unless such alteration or repair increases the height, size or volume or changes the use of such building or structure in which case such works shall conform to all provisions of this By-law.

5.19 Automobile Parking Space
Any person who erects a new building after the date of enactment of this By-law, in any zone other than a General Commercial Zone, shall provide an area for automobile parking, located on the same lot with the same building according to the provisions of 5.19.3.

5.19.1 In the case of a new building in a General Commercial Zone automobile parking, according to the requirements of 5.19.3 shall be deemed to be provided:
(i) if located within five hundred feet (500 ft.) of the said building,
(ii) if a cash payment in lieu of providing parking facilities is made to the City at rates which the City may set from time to time.

5.19.2 Where residential accommodation is permitted in a General Commercial Zone twenty five per cent (25%) of the total parking spaces required by this By-law shall be located on the same lot with the residential accommodation. Adequate provisions for access to a street or public lane from each individual parking space unobstructed by any other parking space shall be provided. Such parking space shall be provided as follows:

5.20 Loading Spaces: No person shall, in any zone, erect or use any building or structure for manufacturing, storage, warehouse, department store, retail store, wholesale store, market freight or passenger terminal, hotel, hospital, mortuary, or other uses similarly involving the frequent shipping, loading or unloading of persons, animals or goods, unless there is maintained in the same premises with every such building, structure or use, one off-street space for standing, loading and unloading for every twenty thousand square feet (20,000 sq.ft.) or fraction thereof of building floor area used for any purpose in excess of three thousand square feet (3,000 sq. ft.) of such area, each such space shall be at least twelve feet (12 ft.) by thirty feet (30 ft.) in area (with a minimum height of fourteen feet (14 ft.) clearance).
5.21 Parking and Loading Area Requirements

Parking Areas and Loading Areas required by Section 5.19 and 5.20 of this By-law shall conform to the following requirements:

5.21.1 Adequate drainage facilities shall be provided.

5.21.2 When the parking or loading area is adjacent to a Residential Zone, the lighting facilities shall be so arranged as to reflect and/or deflect the light away from such zone.

5.21.3 In a Neighbourhood Commercial, District Commercial and Highway Commercial Zone, no parking or loading area shall be located closer than five feet (5 ft.) to any street line nor ten feet (10 ft.) to any other side lot line or rear lot line where said side or rear lot line abuts a Residential, or Open Space Zone and the boundaries of such area shall be defined by a permanent curb or concrete or rolled asphalt or other suitable obstruction designed to provide a neat appearance.

5.21.4 Where a parking or loading area designed to accommodate more than four (4) automobiles is situated on the boundary between a Commercial Zone and a Residential or Open Space Zone, a strip of land not less than ten feet (10 ft.) wide and lying in the Commercial Zone being along the said boundary shall not be used for any purpose other than landscaping.

5.21.5 When a parking area designed to accommodate more than four (4) automobiles is situated within a Residential Zone, a strip of land not less than five feet (5 ft.) wide around the periphery of the said parking area and within the lot on which the said parking area is situated shall not be used for any purpose other than landscaping, but this shall not prevent the provision of entrances and exits to the said parking area across the strip.

5.21.6 Any private garage, which has been built completely below grade, or partly below grade so that its height above grade is no more than four and one half (4-1/2) feet shall not be considered to be an accessory building for the purpose of this By-law with regard to calculations of lot coverage and the following yard regulations shall apply:

Front yard - not less than the minimum distance required by this By-law for the main building on the lot.

Side yard or rear yard - not less than ten feet (10 ft.).

5.21.7 Notwithstanding 5.21.6 no yards shall be required if the parking building is constructed completely below grade.
5.21.8 Where a one foot reserve exists, no part of any garage whether above or below grade, shall be permitted closer than twenty feet (20 ft.) to such reserve.

5.21.9 The approaches to any parking area, other than those required for a single family detached, semi-detached or duplex dwelling, and the approaches to any loading area shall be defined by a curb of concrete or rolled asphalt.

5.21.10 All parking or loading areas and their approaches shall be constructed and maintained with a stable surface which is treated to prevent the raising of dust or loose particles and, except for the parking areas required for Single Family and Semi-Detached dwellings, shall have a cement or asphaltic binder or any other permanent type of surfacing.

5.21.11 The width of a driveway leading to any parking or loading area, required by this By-law, designed to accommodate more than four (4) automobiles shall be a minimum width of ten feet (10 ft.) if for one-way traffic, and a minimum width of twenty feet (20 ft.) if for two-way traffic, the maximum width of a driveway shall be twenty-five feet (25 ft.).

5.22 Trailers No trailer, as defined by the Municipal Act, R.S.O. 1960, Section 379, Sub-section 85, shall be used for one or more of the following purposes - living, sleeping or eating accommodation within the City except in an authorized trailer park.

5.23 Truck, Bus and Coach Bodies No truck, bus, coach or street-car body shall be used for human habitation within the City, whether or not the same is mounted on wheels.

5.24 Parking of Motor Vehicle not in Running Order Notwithstanding anything else in this By-law, no person may use any lot in any Zone for the parking or storage of any vehicle that is not in running order except that one (1) such vehicle may be stored in a private garage in a Residential Zone and any number of such vehicles may be stored in a garage in a Commercial or Industrial Zone.

5.25 Where in this By-law a front, side or rear yard is required, and part of the area of the lot is usually covered by water or marsh, or is beyond the rim of a river bank or watercourse or between the top and toe of a cliff or embankment having a slope of 30 degrees or more from the horizontal, then the required yard shall be measured from the nearest main wall of the main building or structure on the lot to the edge of said area covered by water or marsh, or to the rim of said river bank or water course, or to the top of the said cliff or embankment if such area is closer than the lot line.

5.26 No person shall hereafter erect, alter or use any building on land where the slope of the said land is 30 degrees or more from the horizontal.
SECTION 6 - RESIDENTIAL ZONES (R)

6.1 General Provisions

6.1.1 Not more than one dwelling unless part of a dwelling group as defined by Section 4.17.11 of this By-law may be built on any lot. A dwelling may be erected on the sole parcel of land remaining to any owner and comprising part of one or more lots on a registered plan, as long as such parcel complies with the provisions of the residential zone in which it is located.

6.1.2 Front Yards

6.1.2.1 A front yard shall be provided in the front of the main building. Subject to 6.1.2.2 and 6.1.2.3 of this By-law and except as hereafter provided in the RM2, RM3, RM4, RM5 and RM6 zones, the minimum distance of a building from the original centre-line of the street in front thereof shall be fifty-three feet (53 ft.) from the said centreline and in no case shall be less than twenty feet (20 ft.) from the street line.

6.1.2.2 The minimum distance from the front lot line of a building on a key lot shall be the average of the required front yard depth for the adjoining interior lot and the required yard depth from the same street on the adjoining corner lot. Where existing buildings on either or both of said adjoining lots are located nearer to the front or side lines than the distances required by 6.1.2 and 6.1.3 of this By-law, the distances established by such existing buildings shall be used in computing the front yard for a key lot.

6.1.2.3 Notwithstanding the provisions of 6.1.2.1 and 6.1.2.2 of this By-law, the distance from the lot line of any building erected between lots containing existing buildings which are not more than three hundred feet (300 ft.) apart on the same street frontage of the same block shall conform to the following regulations.

(1) Where one or two lots remain between existing buildings the minimum distance from the front lot line shall be established by a line connecting the front main walls of the said existing buildings.

(2) Where more than two lots remain between existing buildings, the minimum distance from the front lot line shall be as required in 6.1.2.1 except for lots abutting the existing building, where said distance from the front lot line shall be the average between the setback established by the existing building and the requirement in 6.1.2.1.
6.1.3 Side Yards

6.1.3.1 A side yard shall be provided on each side of the main building. Subject to 6.1.3.2, 6.1.3.3 and 6.1.3.4 of this sub-section and except as hereafter provided in the RM2, RM3, RM4, RM5 and RM6 zones the minimum distance from the side lot line to the main wall of the main building shall be four feet (4 ft.) for one storey dwellings and an additional two feet for each additional storey or part thereof.

6.1.3.2 On every lot other than a corner lot where there is no attached garage or carport, or other provision for off street parking on the same lot, one side yard shall have a minimum width of ten feet (10 ft.).

6.1.3.3 Subject to 6.1.3.4 of this By-law the width of an exterior side yard shall be not less than ten feet (10 ft.).

6.1.3.4 In the case of a corner lot no garage shall be located closer than twenty feet (20 ft.) to the street line and no portion of any driveway shall be located closer than thirty feet (30 ft.) to the intersection of any two streets measured along the street line and its projection to the intersection of such street line or its projection with another street line or its projection.

6.1.3.5 The minimum side yard width on the side of a lot abutting a one foot reserve shall be twenty feet (20 ft.)

6.1.4 Rear Yard

A rear yard shall be provided in the rear of the main building. Except as hereafter provided in RM2, RM3, RM4, RM5 and RM6 zones the minimum distance from the rear lot line to rear main wall of the main building shall be not less than thirty-five feet (35 ft.) except in the case of a corner lot where the rear yard shall be not less than twenty five feet (25 ft.)

6.1.5 Distance Between Buildings

The minimum distance between buildings except accessory buildings or portions of a building on the same lot shall be equal to the average height of the two adjacent buildings or portions thereof.

6.1.6 Storage in Front Yard

No front yard shall be used for the storage of any material.

6.1.7 Accessory Uses and Buildings

6.1.7.1 The distance of any accessory building or structure located in the rear yard from any side or rear lot line shall be a minimum of two feet (2 ft.) except where a mutual garage is erected on the common property line between two adjoining properties.
6.1.7.2 The total lot coverage of all accessory buildings and structures shall not exceed ten per cent (10%) of the lot area.

6.1.7.3 The minimum distance of any accessory building or structure located in the side yard from the side lot line shall be not less than the minimum side yard required for a main building of the same number of storeys as the said accessory building.

6.1.7.4 On any lot used for single family detached, semi-detached, duplex, triplex, or double-duplex dwellings, the side lot line of which abuts a one-foot reserve, or the limits of a fully controlled access highway, any attached garage or carport shall be constructed on the side of the house furthest removed from the one-foot reserve.

6.1.7.5 No accessory building or structure shall be constructed closer to the front lot line than the minimum distance required by this By-law for the main building on the lot.

6.1.7.6 No accessory building or structure shall be constructed closer than twenty feet (20 ft.) to a side or rear lot line abutting a one-foot reserve.

6.1.7.7 Where a private swimming pool is constructed as an accessory use to a residential dwelling, no part of it shall be located closer than five feet (5 ft.) to any rear or side lot line.

6.1.7.8 No accessory building or structure shall be used for human habitation.

6.1.7.9 An accessory building or structure shall not exceed fifteen feet (15 ft.) in height.

6.1.7.10 An accessory building or structure shall not be constructed closer than five feet (5 ft.) from the main building or other accessory building or structure.

6.1.7.11 An accessory building or structure shall not be considered an accessory building for the purpose of calculating the lot coverage if attached to the main building, but shall be considered to be part of the main building.

6.1.8 Non-Residential Buildings
Where a recreational, institutional or public building is constructed in any residential zone, the said building shall be located no closer than one-half the height of the building, or twenty-five feet (25 ft.) whichever is the greater to any property line of the site on which said building is located.

6.1.9 Fences and Hedges
No fence or hedge within the required front yard shall exceed four feet (4 ft.) in height. No fence or hedge in the required side yards shall exceed six feet (6 ft.) in height, on a corner lot the provision for the front yard shall apply to those portions of the required side and rear yards adjacent to the flanking street.
6.1.10 Parking Spaces Outside a Garage
Parking space required by Section 5.19 of this By-law may be provided in an attached or detached garage or in a side or rear yard provided that the maximum aggregate number of vehicles that may be parked on the lot outside a garage shall be two (2) for each dwelling unit on the lot and the said vehicles may only be parked in a driveway or parking area constructed in accordance with Section 5.21 of this By-law.

6.1.11 Parking of Commercial Motor Vehicles, Trailers & Boats
6.1.11.1 For the purpose of this Section, Commercial Motor Vehicles shall mean any motor vehicle having permanently attached thereto a truck or delivery body and without limiting the generality of the foregoing includes: ambulances, hearses, motor buses and tractors.

6.1.11.2 No person shall in any Residential Zone, use any lot for the parking or storage of any commercial motor vehicle, for the storage of any trailer or snowmobile, or for the storage of any boat.

6.1.11.3 Notwithstanding the provisions of 6.1.11.2, the owner or occupant of any lot, building or structure in any residential zone, may use any private garage of which he is the owner or occupant, for the housing or storage of one commercial motor vehicle, not exceeding one-ton capacity, operated by himself, provided such use is for housing or storage only and such commercial motor vehicle is not used in connection with any business or other use prohibited by this By-law in any such Residential Zone.

6.1.11.4 Notwithstanding the provisions of 6.1.11.2, the owner or occupant of any lot, building or structure in any Residential Zone may use any private garage of which he is the owner or lessee (if he is also the occupant) for the housing of one trailer and/or one boat or snowmobile.

6.1.11.5 Notwithstanding the provisions of 6.1.11.2, the owner or occupant of any lot may use the rear yard of his property for the storage of one (1) boat not exceeding twenty feet (20 ft.) in overall length and the said boat may be on a boat trailer in the yard.

6.1.12 Office Uses Permitted
Nothing in this By-law shall prevent, in a Residential Zone, the use of part of a dwelling for an office provided:

6.1.12.1 That only one person resident in the said dwelling, plus one assistant, who may or may not reside in the dwelling, may operate in and from the said office.

6.1.12.2 That an area equivalent to not more than thirty-five per cent (35%) of the total floor area of the dwelling, or a maximum of five hundred square feet (500 sq.ft.) whichever is the lesser is devoted to such uses.
6.1.12.3 That there shall be no advertising other than a plate or sign which is not flashing and is not larger than one square foot (1 sq.ft.) indicating only the name, occupation and practicing hours of the occupant.

6.1.12.4 The plate or sign shall be attached and parallel to a main wall of the building.

6.1.12.5 That there shall be at least one off-street parking space for every three hundred square feet (300 sq.ft.) of floor space occupied as offices in addition to any residential requirements.

6.1.12.6 The residential character of the dwelling is not changed.

6.1.12.7 That no machinery or instrument shall be used in the said offices that is not normally used in a residence or is not compatible with a residential area.

6.1.13 Play Space for Apartments

Notwithstanding anything else in this By-law, no person shall use land for or erect or use an apartment building unless he provides on the lot at least:

6.1.13.1 The following play space for children for each dwelling unit:

<table>
<thead>
<tr>

Such play space shall be:
(a) enclosed with a chain link or equivalent fence at least four feet (4 ft.) in height,
(b) located at least fifteen feet (15 ft.) from the nearest wall of the building,
(c) accessible to the building without the necessity of crossing a parking lot, or driveway,
(d) in one location,
(e) at the rear of the building.

6.1.14 Landscaping for Apartments

Notwithstanding anything else in this By-law, no person shall use land for or erect or use a building containing apartment dwelling units unless he provides on the lot:

6.1.14.1 A strip of land not less than five feet (5 ft.) wide for landscaping abutting on the side lot line, except where a building is permitted by this By-law to be constructed abutting on the side lot line in a General Commercial Zone.

6.1.14.2 A strip of land not less than five feet (5 ft.) wide for landscaping abutting on the rear lot line.

6.1.14.3 A strip of land not less than five feet (5 ft.) wide for landscaping abutting on the walls of the apartment dwelling where units on the ground floor have windows to habitable rooms which face onto either a driveway or a parking lot in the said yards.

6.1.14.4 A screen in the form of landscaping to a height of not less than five feet (5 ft.) adjacent to the side and rear lot lines within three years of the date of the issuance of the building permit for the said apartment dwelling.
6.2 Residential First Density Zone (R1)

6.2.1 Use: No building, structure or land shall be used and no building or structure shall be hereafter erected or altered, except in accordance with the provisions of 5 and 6.1 of this By-law and for the following uses:

6.2.1.1 Residential: single family detached dwelling.

6.2.1.2 Business: office use when part of the practitioner's own home.

6.2.1.3 Recreational: parks, playgrounds, non-profit making organizations provided that the said use is located in a park or playground.

6.2.1.4 Institutional: private schools other than trade schools, churches, day nurseries licenced under and operated in accordance with the Day Nurseries Act 1966 and regulations made thereunder in a church hall or in a school building within the terms of the Schools' Administration Act and in a single family detached dwelling where the number of children accommodated at any one time is less than twenty (20).

6.2.1.5 Public: as set out in 5.8 of this By-law.

6.2.2 Regulations: No building, structure or land shall be used, and no building or structure shall be hereafter erected or altered, except in accordance with the provisions of 5 and 6.1 of this By-law and the following regulations:

6.6.2.2 No maisonette, row-house or multiple dwelling shall be hereafter erected or altered, except in accordance with the following yard regulations:

1. **Front Yard** minimum depth shall be twenty feet (20 ft.).

2. **Side Yard** minimum width shall be four feet (4 ft.) for one storey and an additional two feet (2 ft.) for each additional storey or part thereof, but one side yard must have a minimum width of twenty feet (20 ft.) and an exterior side yard must have a minimum width of ten feet (10 ft.).

3. **Rear Yard** minimum depth shall be twenty-five feet (25 ft.).

6.6.2.3 Notwithstanding Section 6.6.2.2, each dwelling unit in a maisonette, row-house or multiple dwelling with an independent entrance to an outside yard shall have one yard area which serves as a private, outdoor living area for the occupants. This yard is normally associated with the living room, but to allow flexibility in design, the private outdoor area may alternatively be located adjacent to a dining room, family room, finished recreation room, study or den, or a kitchen which is combined with one of the above uses.

1. The private outdoor living area shall have a minimum yard depth of twenty feet (20 ft.) within which a privacy zone of fifteen feet (15 ft.) shall be provided.

2. A yard adjacent to a living room which is not designated as a private outdoor living area shall have a minimum depth of twenty feet (20 ft.) within which a privacy zone of twelve feet (12 ft.) shall be provided. No privacy zone shall be required for such living room where glazing to the living room is a minimum of six feet (6 ft.) above the adjacent exterior level.
(3) A yard adjacent to a habitable room other than a living room and which is not designated as a private outdoor living area shall have a minimum depth of seventeen and one-half feet (17-1/2 ft.) within which a privacy zone of twelve feet (12 ft.) shall be provided. No privacy zone shall be required:

(a) where glazing to the habitable room is a minimum of six feet (6 ft.) above the adjacent exterior level.

(b) for a kitchen which does not include the main dining area or any other communal family space.

6.6.2.4 Where dwelling units in a maisonette, row-house or multiple dwelling are constructed on separate lots, no side yard shall be required where a dwelling unit has a common wall with an adjacent dwelling unit.

6.7 Residential Multiple Third Density Zone (RM3)

6.7.1 Use: No building, structure or land shall be used, and no building or structure shall be hereafter erected or altered, except in accordance with the provisions of Section 5 and 6.1 of this By-law and for the following uses:

SECTION 7 - COMMERCIAL ZONES (C)

7.1 General Provisions

7.1.1 Space for Landscaping Notwithstanding anything else in this By-law, where a Commercial Zone fronts opposite to or abuts a Residential or Open Space Zone, a strip of land not less than five feet (5 ft.) in width and inside and abutting the Commercial Zone Boundary shall not be used for any purpose other than landscaping, but this shall not prevent the provision of entrances and exits to the Commercial Area across the landscape.

7.1.2 Special Regulations for Automobile Service Stations
Notwithstanding anything else in this By-law, where a lot in a Commercial Zone is used for an Automobile Service Station or public garage, the following special regulations shall apply:

7.1.2.1 Minimum lot
  Interior Lot | Corner Lot
  frontage | 150 feet | 150 feet
  depth | 100 feet | 150 feet

7.1.2.2 (a) No portion of any pump island on a service station shall be located closer than fifteen feet (15 ft.) from the street line of any street.

(b) No portion of any building or structure other than a pump island or canopy shall be located closer to the street than forty feet (40 ft.) or to a side or rear lot line, that does not abut a street, than twenty-five feet (25 ft.)

7.1.2.3 The maximum width of a ramp at the street line shall be not more than thirty feet (30 ft.) and the minimum width not less than twenty-five feet (25 ft.). The width of the ramp shall be twenty-five feet (25 ft.), measured perpendicular to the centre-line of the ramp.

7.1.2.4 The minimum distance of a ramp to the intersection of two streets shall be fifty feet (50 ft.), measured along the street line, and its projection, to the intersection of such street line or its project with another street line or its projection.

7.1.2.5 The minimum distance between ramps shall be not less than thirty-five feet (35 ft.).

7.1.2.6 The minimum interior angle of a ramp to a street line shall be seventy degrees (70°) and the maximum interior angle of a ramp to the street line shall be ninety degrees (90°).

7.1.2.7 The minimum distance from the intersection of any property line of the lot and the street line to the nearest ramp shall be ten feet (10 ft.).
7.1.2.8 The area included between ramps or between ramps and a street line or property line as required by 7.1.2.4, 7.1.2.5 and 7.1.2.7 of this By-law and a strip having a minimum width of five feet (5 ft.) adjacent to any side or rear lot line shall not be used for any purpose other than landscaping.

7.1.2.9 No storage of materials incidental to the operation of the Automobile Service Station shall be carried on outside a building that is not completely enclosed by adequate screening in the form of landscaping or fencing to a height of not less than six feet (6 ft.).

7.1.3 Special Regulations for Automobile Washing Establishment

7.1.3.1 Where a lot in a Commercial Zone is used for an automobile washing establishment, the entrance layout for progressive movement of cars entering the establishment shall be sufficient to accommodate not less than fifteen (15) cars outside the building and on the subject lot and the exit layout shall be sufficient to accommodate not less than five (5) cars outside the building and on the subject lot.

7.1.3.2 The said lanes in which vehicles shall move on the lot shall be clearly defined by lines painted on the surface of the lot and the edge of the lane nearest to the property line shall be defined by a curb of concrete or rolled asphalt or by a bumper fence.

7.1.3.3 The minimum inside turning radius for the said lanes shall be twenty feet (20 ft.).

7.1.3.4 The said lanes shall be clear and unobstructed in every way.

7.1.3.5 The minimum width of ramps shall be ten feet (10 ft.) for one way traffic and twenty feet (20 ft.) for two way traffic and the maximum width of ramps shall be twenty feet (20 ft.) for one way traffic and thirty feet (30 ft.) for two way traffic.

7.1.3.6 The minimum distances of a ramp to the intersection of two streets shall be one hundred and fifty feet (150 ft.) measured along the street line, and its projection, to the intersection of such street line or its projection with another street line or its projection.

7.1.3.7 The minimum distance between ramps shall be not less than thirty-five feet (35 ft.).

7.1.3.8 The minimum interior angle of a ramp to a street line shall be seventy degrees (70°) and the maximum interior angle of a ramp to the street line shall be ninety degrees (90°).
7.1.3.9 The minimum distance from the intersection of any property line of the lot and the street line to the nearest ramp shall be ten feet (10 ft.).

7.1.3.10 The area included between ramps or between ramps and a street line or property line as required by 7.1.3.6, 7.1.3.7 and 7.1.3.9 of this By-law and a strip having a minimum width of five feet (5 ft.) adjacent to any side or rear lot line shall not be used for any purpose other than landscaping.

7.1.3.11 Notwithstanding Section 5.21 the entire lot used for an automobile washing establishment, except that required to be reserved for landscaping by this section, shall have a cement or asphaltic binder or any other permanent type of surfacing.

7.1.3.12 Adequate drainage facilities shall be provided.

7.1.4 Where a building is constructed for combined Residential and Commercial purposes, satisfactory access shall be provided for delivery vehicles to the residential portion of the building.

7.2 General Commercial Zone (GC)

7.2.1 Use In a General Commercial Zone no building structure or land shall be used, and no building or structure shall be hereafter erected or altered except in accordance with the provisions of Sections 5 and 7.1 of this By-law and for the following uses:

7.2.1.1 Commercial Uses

- Restaurant
- Retail and Wholesale trade within an enclosed building
- Service establishment that is not obnoxious.

7.2.1.2 Residential Uses Dwelling units connected to and forming an integral part of the Commercial Building provided that access to the dwelling units is separate from the access to the Commercial portion of the building, and no dwelling units will be permitted on the ground floor.

7.2.1.3 Institutional

- Churches
- Clubs and Fraternal Organizations
- Public or Private Hospitals.
7.2.2 Regulations: In a General Commercial Zone, no building, structure or land shall be used, and no building or structure shall be hereafter erected or altered, except in accordance with the provisions of Sections 5 and 7.1 of this By-law and the following regulations:

7.2.2.1 Coverage Maximum fifty percent (50%).

7.2.2.2 Front Yard Nil, except that a setback of ten feet (10 ft.) will be allowed, provided this is maintained over a street distance of no less than forty feet (40 ft.).

7.2.2.3 Side Yard
(1) Where a side lot line abuts a Commercial or Industrial Zone, and access is available to the rear of the building by a public or private lane, the setback from the said lot line shall be a minimum of nil.

7.2.2.4 Rear Yard
(1) Where a rear lot line abuts a Commercial or Industrial Zone, and access is available to the rear of the building by a public or private lane, the setback from the said rear lot line shall be a minimum nil.

(2) Where a rear lot line abuts a Commercial or Industrial Zone, and no access is available to the rear of the building except by means of a yard, the setback from the said rear lot line shall be a minimum of twenty feet (20 ft.).

(3) Where a rear lot line abuts a Residential or Open Space Zone, the setback from the said rear lot line shall be a minimum of thirty-five feet (35 ft.).

(4) Where the building contains residential accommodation of one or more stories in height, the windows of habitable rooms face the side lot line, the nearest main wall of the residential portion of the building shall be no less than one-half the height of the residential portion of the building from the side lot line but not less than twenty feet (20 ft.).

7.5.2.7 Not less than fifty per cent (50%) of the usable open space required under 7.5.2.6 of this By-law shall be located in one place on the lot up to a maximum of five thousand square feet (5,000 sq.ft.)
SECTION 8 - INDUSTRIAL ZONES (I)

8.1 General Provisions

8.1.1 Landscaping. Where a lot in an Industrial Zone fronts opposite to, or abuts, a Residential or Open Space Zone, a strip of land not less than ten feet (10 ft.) in width inside and abutting the Industrial Zone boundary shall not be used for any purposes other than landscaping, but this shall not prevent the provision of entrances and exits from the said lot through the required landscaping.

8.1.1.1 Where a lot in an Industrial Zone abuts a Residential or Open Space Zone, a screen in the form of landscaping to a height of not less than five feet (5 ft.) shall be provided adjacent to the lot lines that abut the said Residential or Open Space Zone within three years of the date of issuance of a building permit for the erection of the main building on the said lot.

8.1.2 Landscaping. On any lot in an Industrial Zone, a strip of land not less than five feet (5 ft.) in width shall be reserved for landscaping inside and abutting the front lot line and the side lot line where it abuts a street, and if any part of the front yard is used for parking, a strip of land not less than five feet (5 ft.) in width shall be reserved for landscaping adjacent to the front wall of the building.

8.1.3 Use of Front and Side Yard. No person shall use the front or side yard of any lot in an Industrial Zone for any purpose other than for landscaping or the temporary parking of visitors' private passenger vehicles, provided that no parking shall be permitted in an area having a depth of fifteen feet (15 ft.) across the entire frontage and flankage of the lot nearest the street line.

8.1.4 No land may be used or any building or structure permitted in an Industrial Zone for any purpose or in such a manner which shall be a nuisance to the occupants or owners of any neighbouring land or buildings by reason of the emission from the said land or any part thereof, or the creation thereon, of odours, gases, dirt, smoke, noise, vibration, fumes, cinders, soot, waste or otherwise.

8.1.5 No fence shall be erected upon any land in an Industrial Zone or any part thereof unless it is constructed of ornamental wire, iron or wood rail or post and wire of open construction, with or without brick or stone foundations; and no such fence shall be placed nearer to the street line in the front of the said land than fifty feet (50 ft.) or the main front wall of the building or buildings erected on the said land, whichever is less.

8.1.6 All of the land in a lot in an Industrial Zone, excluding those portions covered by buildings, parking or storage areas, and driveways shall not be used for any purpose other than landscaping.
Industrial Class I Zone (I-Cl)

8.2.1 **Use** In an Industrial Class I Zone, no building structure or land shall be used, and no building or structure shall be hereafter erected or altered except in accordance with the provisions of Sections 5 and 8.1 of this By-law and for the following uses:
