Municipal Heritage Committee Youth Engagement Photography Contest
2019 Results

The North Bay Municipal Heritage Committee would like to announce the winners of this year’s Youth Engagement Photography Contest.

Prizes are to be awarded to the following winners:

1st Prize - $100 DIA GIFT CARD

Name: Bobbie M.
Age: 17

Name: A Lifetime in my Grandmother’s Hands

“Through all that she has lost, my Grandmother is still trying to reconnect with parts of her lost culture. The goose wing she is holding in the photo is a cultural item that my parents were wed with. This is symbolic of her refusing to lose her grasp on her heritage and how current generations can help rebuild that connection.”

2nd Prize - $50 DIA GIFT CARD

Name: Katelyn W.
Age: 14

Name: Evolution of Rail

“This photo highlights the built heritage of North Bay because not only were the trains built and worked on by hardworking people, but the city was built to serve as a railway city. As you can see the photo shows the history of North Bay over time by showing the evolution of one of North Bay’s highly important heritage pieces, the railroad and rail transportation.”
3rd Prize - $25 DIA GIFT CARD

Name: Sina E.

Age: 17

Name: Mixed Emotions

“I was by the waterfront … when I noticed there were many inuksuks everywhere. Also, there was a storm coming in from the left side so half the sky was sunny and the other cloudy.”

Photographic entries and the required photographic release form can be submitted by email to heritage@cityofnorthbay.ca

Complete contest rules, release forms and submission details are available at www.cityofnorthbay.ca/photography.

Local school boards, clubs, and other service providers throughout the City of North Bay are invited to share details of the photography contest, and encourage participation among local youth.
