**Please note the following important COVID-19 Protocols:**

- Masks must be worn when you enter the building and as you move about the building. They can be taken off when you get on to the ice pad but must be put back on immediately after leaving the ice pad.
- Contact tracing information must be provided each time you attend (name, phone number, confirmation that you are currently symptom-free.). A QR code will be on the door at each location which you can scan with your phone and complete the short survey. If you do not have this capability, you will need to fill in a paper copy with a staff person on site.
- Proof of double vaccination must be provided by all patrons 18 years of age and over (more detailed information to follow soon.). Bring your vaccination receipt along with a piece of identification which has your address and birthdate on it which will need to be shown to staff on site.
