MISCELLANEOUS PERMIT APPLICATION CHECKLIST

Permit Fee: \$190.00

(Siding, Windows, Doors and / or Exterior Insulation)

- Application to Construct or Demolish
- Owner's Consent Form (Required if Applicant is NOT Owner)
- Miscellaneous Permits Form

How to Complete:

“Check” All Appropriate Boxes for Proposed Scope of Work

Using the legend and the provided site plan indicate location of windows and doors. The arrows shown on the site plan indicate the distance from dwelling to the property line; write in the distance on the arrows.

If you are proposing to increase an opening size, or install a new window or door (requiring an entirely new opening) we will require additional information. Please provide a basic floor plan layout that indicates the opening with proposed wood lintel size and steel lintel size if the exterior cladding of the home is masonry.
