

CITY OF NORTH BAY

BY-LAW NUMBER 862D.

WHEREAS proceedings have heretofore been taken to authorize the construction as local improvements under the Provisions of the Local Improvement Act of the respective sewers set forth in Schedule B to By-law number 858;

AND WHEREAS prior to the passage of the By-laws authorizing the construction of the said respective sewers reports were received from the City Engineer in accordance with the provisions of Section 30, which said reports provided that the sum of \$1.00 per foot frontage should be specially assessed against the lots abutting directly upon the said respective sewers, and that the remainder of the cost thereof should be borne by the Corporation;

AND WHEREAS special assessment rolls have been prepared in connection with each of the said works in accordance with the said reports of the said Engineer and the sum of \$1.00 per foot frontage has been specially assessed against the lots abutting directly upon the respective sewers and the remainder of the cost of the said respective sewers is borne by the said Corporation and the said assessment rolls have been duly approved and settled by a Court of Revision held with respect thereto;

AND WHEREAS through inadvertence the Council of the said Corporation did not specifically provide in the said construction by-laws authorizing the said works that the sum of \$1.00 per foot frontage should be assessed against the properties abutting directly on the said respective sewers and that the balance of the cost of the said works should be borne by the Corporation;

AND WHEREAS it is necessary and expedient to specifically provide that the said sum of \$1.00 shall be assessed against the said lots abutting directly upon the said respective works and that the remainder of the said cost shall be borne by the Corporation, and to ratify and confirm all proceedings taken in connection with the said works, the reports of the said Engineer and the assessment rolls as settled by the Court of Revision in respect to each of the said works:

NOW THEREFORE the Municipal Council of the Corporation of the City of North Bay ENACTS AS FOLLOWS:-

1. That the construction of the said sewers referred to in Schedule B of By-law number 858, the said reports of the said Engineer and all proceedings taken with respect to the said works be and the same are ratified and confirmed.
2. That the sum of \$1.00 per foot frontage shall be specially assessed upon the lots abutting directly on the said sewers and that the remainder of the cost of said sewers shall be borne by the Corporation, and that the assessment rolls as settled by the Court of Revision in respect to the said several sewers be and the same are hereby ratified and confirmed.

PASSED by a vote of three-fourths of all the members of the Council this 6th day of February, 1928.
